

# ROYAL BAKING POWDER

will aid the  
cook as  
no other  
agent will  
to make

The dainty cake,  
The white and flaky tea biscuit,  
The sweet and tender hot griddle cake,  
The light and delicate crust,  
The finely flavored waffle and muffin,  
The crisp and delicious doughnut,  
The white, sweet, nutritious bread and roll,—  
Delightful to the taste and always wholesome.

Royal Baking Powder is made  
from PURE GRAPE CREAM OF  
TARTAR and is absolutely free  
from lime, alum and ammonia.

There are many imitation baking powders,  
made from alum, mostly sold cheap. Avoid  
them, as they make the food unwholesome.
